Del Castillo Slate exporta cerca del 85% de su producción
Naturpiedra Jbernardos exporta cerca el 85% de la p

producción de pizarra, filita y cuarcita de sus canteras. Lo dijo tal y como su gerente D. Bernardos, durante la presentación del libro “Valor histórico y arquitectónico de las canteras de Bernardos”.

The history of the Martelange slate mine

Tourists and residents alike, can't have failed to notice the black tiles on the roofs of Luxembourg City buildings. To learn the origins, we need to take a trip close to the Belgian border, and over 400 years back in time. [Read more](#)

Un lithophone en ardoise âgé de 285.000.000 d'années

Cet instrument est fabriqué avec des ardoises permo-carbonifères provenant de la carrière de Dorénaz en Valais (Suisse). C'est la version portable du grand lithophone réalisé pour la nuit des musées 2014 au musée de géologie de Lausanne.
